THE WOMEN\* WHO MAKE PORN

"The answer to bad is not no porn, it is to make better porn!"

ANNIE SPRINKLE

"I think it's very important to have a diversity of viewpoints, because that does get us closer to having porn for everyone."

KATE SINCLAIR

"There is power in creating images, and for a woman of color and a queer to take that power... I don't find it exploitative; I think it's necessary."

SHINE LOUISE HOUSTON

"It's about creating a space for people to express themselves."

PANDORA BLAKE

"Women's pleasure matters."

ERIKA LUST

"I make explicit erotic films which to me means its erotic trying to evoke the feelings in you what it feels like to be touched."

JANNIFER LYON BELL

"Porn is a great medium for feminist practice."

PAULITA PAPPEL

"For me, porn is all about the documentation of pleasure, I facilitate and create a space where people connect for pleasure and joy and I capture that on film."

MADISON YOUNG

"One of the things I'm really interested in showing is that women can make really hardcore porn."
